

7/25/2013 Time	Topic	Speakers/Leader
1:00 PM	Intro to DASPOS& DPRMA	
		Jaroslav Nabrzyski, DASPOS Co-PI & Director, Center for Research Computing University of Notre Dame & Opening Statements by DASPOS Co-PIs
		David De Roue, DPRMA Co-PI & Professor of e-Research & Director of the interdisciplinary Oxford e-Research Centre
1:15 PM	Panel Presentation 1- Moderated by Gordon Watts	
	10 min ea demo or presentation followed by 15 min Q&A Dialogue	Chris Mattmann, Senior Computer Scientist NASA Jet Propulsion Laboratory
		Reagan Moore, Director of the Data Intensive Cyber Environments Center at UNC Chapel Hill
		Don Petravick, Principal Investigator Dark Energy Survey Data Management System at NCSA – U of I at Urbana-Champaign
		George Strawn, Director of NITRD's National Coordination Office (NCO)
2:15 PM	Panel Presentation 2- Moderated by Doug Thain	
	10 min ea demo or presentation followed by 15 min Q&A Dialogue	Micah Altman, Director of Research and Head/Scientist, Program on Information Science for the MIT Libraries
		Matthew Mayernik, Research Data Services Specialist , NCAR
		Michael Witt, Project director for the Purdue University Research Repository (PURR)
3:00 PM	Afternoon Break	
3:15 PM	Round Table Breakouts & DPRMA Paper Presentation Session	
3:15- 4:45	DPRMA Paper Presentations	Welcome David De Roue (5 minutes) Digital Archives Christophe Guéret (20 min) Increasing Preservability of Research, Tomasz Miksa and Andreas Rauber (10 minutes) Digital Libraries for the Preservation of Research Methods, Raúl Palma, Piotr Hołubowicz, Kevin Page, Oscar Corcho, Sara Pérez, and Cezary Mazurek (20 min) Hiberlink, Robert Sanderson, Herbert Van de Sompel, Peter Burnhill, Claire Grover (10 min) Towards Computational Research Objects, David De Roue (20 min) Closing discussion, Andreas Rauber (5 min)
3:15-4:15	DASPOS Round Tables	Policy based Data Management - lead off by Reagan Moore w/DASPOS PI Sr. Personnel Elisabeth Long, Matt Mayernik, Michael Witt, Benoit Raybaud Re-use of Big Data, complex digital objects & Scientific Workflows - lead off by Don Petravick and Micah Altman w/DASPOS PI Sr. Personnel Rob Gardner and Jaroslav Nabrzyski Software & Algorithmic Preservation for Open Science - lead off by Chris Mattman and George Strawn w/DASPOS PI Doug Thain Access, Query and Linked Open Data lead off by Line Pouchard, Staff Scientist Extreme Scale Systems Center w/DASPOS Sr. Personnel Charles Vardeman and Clifford Lynch
4:15 PM	RoundTable ShareBack To DASPOS	Moderated by Douglas Thain, - DASPOS round table groups will reconvene to share back the highlights of their group's discussion outcomes
4:45 PM	Concluding Remarks	Clifford Lynch, Executive Director Coalition for Networked Information
5:00 AM	Adjourn
